

29th Annual Winter Educational Meeting

January 22-24, 2010

Bahia Mar Hotel ♦ Ft. Lauderdale, FL

New Workshops ♦ CME Lectures ♦ Industry Exhibits ♦ Networking

MEETING INFORMATION

877-221-5651 / 303-771-2550 (fax) / www.apacvs.org

If you are a PA working in cardiovascular and/or cardiothoracic surgery, this is the premier CME event to attend. Join your colleagues in Ft. Lauderdale to discuss current trends and topics. (The views expressed by any speaker are not necessarily the views of the APACVS. Speakers, times, and topics are subject to change. Faculty disclosures and sponsorship information will be provided in the meeting books provided on site.)

APACVS members' registrations cancelled by January 9, 2010 will be fully refunded. Non-members' registrations cancelled by January 9 will be refunded minus a \$25 handling fee. ANY CANCELLATION AFTER January 9 ARE **NON-REFUNDABLE**.

2010 PROGRAM COMMITTEE

Jim Gillen, PA-C, FAPACVS Program Chair

Steve Gottesfeld, PA-C CME Chair

EXHIBITS

Exhibitors will be present Friday to Saturday displaying products and services of interest to the surgical physician assistant. Products and services that are displayed are not necessarily endorsed or sanctioned by the APACVS.

WORKSHOPS

Workshops are optional and included in the meeting cost. **PLEASE NOTE: Workshops are open only to NCCPA-certified physician assistants (or state-licensed PAs in select states) and PA students enrolled in approved PA programs.** Attendees must pre-register for selections. Workshops may have limited space. Placement is on a first-come, first-serve basis. Lunch is provided at workshops. Location details will be available on site. Transportation will be provided to any off-site location.

CME CREDITS

Category 1 CME has been approved from the American Academy of Physician Assistants (AAPA). The clinical lectures offer up to 14 hours of CME credit. In addition, participants may earn up to 8 additional hours for a workshop. Physician assistants should claim only those hours actually spent in the CME activity.
